BIG OFFER.

We call the attention of our readers to a remarkable offer we are making in another column for the winter's reading. We are offering a value of $2.50 for $1.00. We hope all our old friends will have gotten their subscriptions paid in advance for the paper. We are in advance for the paper. We are ready to read the offer.

The Taft convention in Ohio threw on a little jelly to the "colored brother." The grandest hypocrisy

Fairbanks says he is still in the fight. We thought that "cock-tail" had knocked him into a "cocked hat."

The 40 per cent tariff is to continue in full force and force. And bad roads will remain a "stern and stigma upon the nation" as ever.

Stuart, Ticker, Dunn & Co. are in Mann. Take your choice now before the people speaks. In the choice be every Democrat in Virginia. We want no Kentucky "night riders" in Virginia and no "big four" nor big fools in the rank of Virginia Democracy. Virginia Democracy is still a necessity in the "solid south." Foraker and the negro Bishops are bent on mischief, and "eternal vigilence" is the price we must pay for protection to home and fireside. "Resolutions don't go backwards" but it may be possible that we will have to fight the battles of reconstruction again. Let us sink our differences and rally about the things on which are agreed heart and soul. Jim Crow must live, the bishops to the contrary notwithstanding. Foraker must be rendered harmless.

The session of the legislature hurries to a close and really its work has been a glorious disappointment. Nothing of practical value has been accomplished. The members have been too busy "playing politics" to be mindful of the wants of the people who breathed clients into their and positions for their arduous labors. It is passing strange the men who leave their homes credited with a modicum of common sense, to loose it all when they get to Richmond or Washington. Platforms are handy things to get in on but once in they become useless appendages, unwieldy attachments, cumberson drift-wood which antielection promises from any with the passing buyer, and yet the dear people "go on repeating the folly with every coming and going canvass." How long, O Lord, how long will these things continue, these farces be re-enacted. In particular what has our Captain Stratton accomplished?

The decks are now cleared for action and the Presidential canvass is on. It looks like Bryan and Taft and the former ought to win, that is if the Democrats will get together and stay together. The Republicans are fearfully handicapped this time. Labor is in a state of unrest, the G. O. P. has a panic to its discredit and the men who fills the "marts of trade" with Roosevelt and his policies. The negro vote isn't "in it," and New York is a sure Democratic State. But all depends on what is done at Denver, and afterwards. If the minority is recklessly bent on rushing, then the "jig is up." To say that Byran Democrats should yield to the dictation of "Joe" Bryan papers is nonsense. The time has not come when the tail should wag the dog. If overwhelming majorities are not to rule then chaos will follow in church and State. A little common sense and common honesty and a Democrat will succeed Roosevelt and carry out Democratic policies.

It would be gratifying to many of our readers to learn that a law has passed the Legislature which will enable the county to own the Lynchburg and Concord turnpike. None of this like west of Concord riches his county, but the old road will run down to Chilton's tavern in this county. We hope the talented authorities will take hold of it and make a good road of it as a great many of her best farmers are forced to travel the road, and also a large part of Appomattox must use it. The city of Lynchburg could make no better investment than to help Campbell keep up this road.

Shipyards.

A great quantity of tobacco is now hauled by here to Farmville, in spite of the wretched condition of most of the roads. Every mouth it seems the three miles nearest Farmville is Macadam road and is very good.

Mr. S. J. Renno will, as soon as the weather allows, get to work on the four miles from Sheppards to Vaiborns, which road is in need of repair.

Mr. Geo. W. Carter has purchased of J. N. Cole's farm adjoining the town, which now makes Mr. Carter the owner of one of the best farms in the vicinity.

Dr. J. S. Davis, of Farmville, Mrs. C. O. Forbes and daughter, of Cumberland and Mrs. L. D. Jones, of Nottoway, visited relatives at Sheppards last Sunday.

The graded school is getting along all right and is a big advance over anything we have had before.

T. M. Jones, of Guthrie, has been appointed a delegate to the Laymen's Missionary Conference now held at Chattanooga.

The Chinaman Taking Its Last Visit to the States, Prior to Its Tour Around the World.

The Chinaman will be played at the Opera House in Lynchburg on March 18th, for the last time in this country. The famous play of Oriental instruction is on its farewell tour of America and vast crowds are viewing it everywhere. The present tour is unusually interesting because the play is scheduled for a three years tour around the world, opening in London, England on June 5th. From England it will go to South Africa and thence to Australia returning by way of Manilla, Hong Kong, Hawaii and spending a year on the Pacific coast. The play is splendidly interpreted this season by a company that represents the united strength of the two companies touring in the Chinaman last year. The Chinaman is the story of how the white men of the South overturned the rule of the scalwags, carpetbaggers and negroes and establishing white supremacy. With the historical element is combined a delightful love romance, together with much delicious comedy of the Chinese variety. All in all, it is the typical play of the South, and none to see it is to miss both entertainment and education. The price of the tickets are 50 cts to $1.50 evenings and 50 cents to $1.00 Matinee. Address manager Opera House Lynchburg, inclosing remittance with order and he will promptly mail you the tickets desired.

At a Polish wedding in Chicago, there were 19 persons wounded and two seriously married.

Speaker Cannon's ardent tribute to the small college ought to be good for at least 30 degrees.

If the seven minute parting kiss becomes a fashion, how will people ever be able to get to the trains on time?

"It's nobody's business where the flood is going," says Secretary Taft. Certainly not. Whose country is this, anyhow.

Now Willie Hearst has a nice little political party of his very own to play with. It is an expensive toy though.

Ex-Superintendent Chancellor's opinion of the Washington School Board reads like a genuine White House denunciation.

Governor Hughes, of New York, has Welsh, Irish, Scotch, English and Dutch blood in his veins. How does he propose to get the German vote?

If the Department of Agriculture carries out its plan of having a poultry census taken in 1910, it should see that no chickens are counted before they are hatched.

A Mineral Water that Defies Drugs
NATURE'S GREAT BLOOD TONIC

The recent drug exposures in this Country have proven to all that deadly poisons and stimulants lurk in many Patent Medicines. You never know when you might be taking some of that class.

Nature has made ample provision for restoring vigor and vitality to humanity, and the public, as well as doctors, resort to Natural Remedies, when all others have failed.

Are you troubled with **Dyspepsia, Nervousness, Malaria, Kidney or Bladder Trouble, Chronic Diarrhoea or Dysentery**, and above all, that dreadful disease **Scrofula**, which has almost baffled human skill, or **Diseases peculiar to Females?**

Piedmont-Bedford Concentrated Iron & Alum Water

Is Nature's Remedy for Nature's Ills. Yes, when you consider that disease comes from impoverished or run down conditions of the system, this Natural Mineral Water furnishes the system what it needs.

The analysis of this Water, shown on the bottle, tells you what **Nature thinks you should take when sick,** and the doctor who reads it will agree.

Do you think the grouping together in this Water of 17 different minerals, which are recognized by medical writers as **most powerful blood tonics,** could have been accidental? Reason answers, NO!

An 18-oz bottle of Piedmont-Bedford Concentrated Iron and Alum water contains all the minerals of 25 gallons of the average natural water—Then **why buy a barrel of water when you can get a bottle of minerals at the trivial cost of one dollar.** The dose is a teaspoonful in a glass of your own spring water.

How this Water acts upon the system is not clearly known. It is judged mainly by its works. It has cured all the diseases enumerated above, and many more, evidently through its action as a powerful **BLOOD TONIC.**

We have many valuable certificates, which we will be glad to mail, .. you are interested.

Farms for Sale.

No. 25. 325 Acres. $10,000.

This is certainly a handsome property, fronting, as it does, along the main street of a thriving little town on the A. & W. railroad. The land is all of the best quality of upland, about 100 acres in fine timber and sufficiently watered, orchard and every necessary outbuilding in perfect condition; 150 acres of the land is in a high state of cultivation. There are three residences on the place, two of them are two-story frame houses, with chimneys at each end, containing seven rooms each. The main residence is one of the best in the town, and is beautifully situated on a high grove and the lawn and situation are simply lovely. The view of the surrounding country is one to delight lovers of nature. It is the cheapest property of the kind in the market. **$10,000 would buy it and sell it.**

This is one of the very best small farms in Appomattox county. Every foot of the land is cultivated in crops at this time; it is in the pink of a large estate and whoever secures it will get a productive and highly improved farm.
